AMITY SCIENCE TECHNO FESTIVAL 2022

Theme: Science, Technology and Management (Open Innovation)

Date: 1st December, 2022

Registration start Date: 17th Nov., 2022

Registration Ends Date: 28th Nov., 2022

Organized by:

Amity School of Engineering & Technology

Who can participate

This is a program specially designed for Students of UG/PGlevel and Senior School Level (Class 9 to 12) who will have to provide an effective solution for the better social impact.

Objective

The event is aimed at hunting/searching for bright minds with the out-of-box critical thinking/ use of technology approach to generate a real time solution for the problems faced by the society and the Nation. It is an initiative to provide students a platform to solve some of the pressing problems we face in our daily lives, and thus inculcate a culture of product innovation and a mindset of problem solving.

This Amity Science Techno Festivalwould be beneficial for the participants where the expert & participants can contribute by sharing their experiences, ideas, and problems.

EVENT NAME:

SCIENCE TECHNO MODEL PRESENTATION

Guidelines

There are 3 Stages in this event:

1. Stage 1: Registration
